MUSIC / MOSMA 2023

Opening screening
RYUICHI SAKAMOTO: CODA

Opening screening: RYUICHI SAKAMOTO: CODA (2017)
Directed by Stephen Nomura Schible
One of the best composers in history. Also, a Japanese producer, writer, singer, pianist and actor. A true art icon who left us too soon, as geniuses always do. This film takes a tour of his career and the creation process. All captured at a time in his life that was as complicated as it was challenging.
