Astronauts have reached the surface of Cora, 'the Red Planet'; an arid and mysterious place, where objects come to life telling stories of love, heartbreak and rediscovery. These objects have lived crucial moments of human love.

Through these experiences, they decide to send a message of gratitude and love to humanity for every precious moment lived. The Red Planet is the heart of a donor.

TanTonTería was founded in Malaga in 2017, and since has produced five shows *Gruñidos*, *Tiempos viejos*, *La vida es cuento*, *Bouleverser* and *Cora*, participating with them in events and prestigious festivals such as the Jornadas de Teatro Siglo de Oro of Almería, Corral de Comedias at the Festival of Classics in Alcalá. *Tiempos viejos* won awards for Best Show, Best Direction, Best Actress and Best Actor at the 2019 MálagaCrea de Artes Escénicas.
