**DAVID SEGURA WAS AWARDED BEST CONTEMPORARY DANCE PERFORMER 2016
BY THE ASSOCIATION OF THE PERFORMING ARTS OF ANDALUSIA WITH THE
SUPPORT OF THE SGAE FOUNDATION**

We live in a routine in a civilised world where our most primitive longings and wishes, together with our animal impulses, must be kept under control; but when we dance...our control decreases and these desires come to fore.

In 2010, the choreographers and dancers David Segura and Pepa Martin travelled to Oulu, Finland, where they initiated a creative process involving classical dance and breakdance. On returning to Spain they decided to create their own company and continue researching their method. At present they continue to train all over the world and to investigate their own body language, creating shows for audiences of all ages. In 2016, David Segura won the award for Best Contemporary Dance Performer of the Performing Arts Association of Andalusia, with the support of the SGAE Foundation.
