FETEN 2021 AWARD FOR BRINGING DANCE CLOSER TO EARLY CHILDHOOD

Hand programme (ESP)

Every person shines amongst others with their own light. In *Natanam* two actors, two friends, two accomplices meet in a game room. They realise that there is water, fire, wind and land at their disposal. The game room can be a beach, a desert, the sea. And when we are alone, it can also be many different worlds.

For more than 20 years DA.TE Danza has been creating, producing and staging shows of contemporary dance, dance-theatre and theatre with objects for a wide range of audiences, from toddlers to adolescents. DA.TE Danza is committed to modern-day society and to staging stories for children and adolescents that encourage reflection.
