ECOVENGADORES Y LA LIGA DE LA JUSTICIA MEDIOAMBIENTAL

[ECOAVENGERS and the League of Environmental Justice]

Escenario Pedagógico

With Luisa Nadal, Nahuel Cardozo, David Aldavero, Silvia Dalla Marta and Lorena Piñero

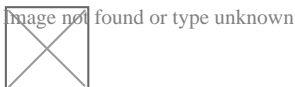

1.10 h (w/out intermission) Musical theatre. From 4 years

escenariopedagogico.com

Accompanied by the most famous superheroes of the world of fiction (Spiderman, Captain America, Wonder Woman, etc.), we are going to meet real heroes, iconic figures like Jacques Cousteau, Jane Goodall and Félix Rodríguez de la Fuente, who will help us fight against pollution, deforestation and climate change. A lot of music, live singing and guitars, acrobatics... Will you join the Ecoavengers?

With this project Escenario Pedagógico wants to raise awareness regarding environmental problems and provide solutions to counter the damage caused to the planet.

Escenario Pedagógico is one of the most renown companies devoted to children's theatre and educational concerts. Founded in Almería in 2012 with the creation of the very successful show *El rock se cuela en la escuela* [Rock'n roll sneaks into school], winner of the IAJ (Andalusian Institute for Youth) award for Entrepreneurial Proposal. The company currently has eight original shows with which it seeks to find the perfect

balance between entertainment and learning.
