CONCERT. Mosma maestros: RYUICHI

[A Tribute to Ryuichi Sakamoto]

Movie Score Málaga Assemblé Orchestra

Conductor To be determined

A well-deserved tribute to this great art creator would not be complete without a concert. And not just any concert. Great film music composers from our country, clearly influenced by the work of the Japanese genius, will provide their special interpretation of some of Sakamoto's most famous works.

Nani García, Xavi Capellas, Luc Suarez, Javier Bayón and Joan Martorell, in a concert produced by Sergio de la Puente and all of them performing their own recreations.

A unique concert that you can only enjoy at MOSMA 2023.
