Fragility finds unexpected paths to nurture bravery. Perfect moments of risk in which to overcome limits and barriers. Then to invent new paths over which to travel through undreamed territories. The recital of a famous tenor who is always late. A young, affectionate assistant who discovers that limits do not exist, that the feminine and masculine ALWAYS travel together. Because a crisis can be the PERFECT moment to discover one's wings and fly!"
ÓPERA &A CLOWN crossing the boundaries of their genres, with a live TRANSFORMATION by means of EQUALITY
The company MikrÓPERA explores theatre with original proposals of opera and text, in small and medium format. Since 2008 it has produced nine shows, with special attention to family audiences. Every year it is selected by the Spanish scenic art circuits.
