DAVID BISBAL FILARMÓNICO BY COSENTINO

Orquesta Ciudad de Almería (OCAL)
Arrangements Juan Cruz Guevara
Conductor Michael Thomas

1.15 h (s/i)

“After an intense, bright, and successful artistic career, David Bisbal Filarmónico by Cosentino is presented as a new project in the artistic path of this outstanding singer from Almeria. For the first time, David Bisbal will adapt his most representative repertoire to a large symphony orchestra with arrangements made for the occasion by Juan Cruz Guevara. The project, promoted by the Cosentino Group, tries to re-create the most emblematic and well-known songs of the artist with a new sound conception. Enriched with a classical-symphonic-lyrical format and through a detailed and brilliant orchestration, these new versions won´t leave the audience indifferent. David Bisbal Filarmónico by Cosentino will surprise the artist’s long-time fans and will amaze the general public”.
