*Amor en la Tierra* is a musical about the story of Jesus of Nazareth from the time of archangel Gabriel's annunciation to the Virgin Mary to the visit of the Kings of Orient. A story that will take us to the past to Bethlehem, to experience through flamenco the beginning of the most extraordinary story ever told. This is made possible thanks to a group of flamenco's most relevant young artists from Jerez, and the collaboration of some its most veteran representatives. The show also boasts a very careful staging

and an original repertoire conceived for the occasion.

The sum of all these elements makes for a novel, magical show, full of colour, that represents the most traditional values of the zambomba of Jerez.

*Suena Jerez en Navidad* was first performed in 2013 under the direction of the guitarist from Jerez Pepe del Morao, grandson of Manuel Morao, nephew of Moraito chico and cousin of Diego del Morao, heir of his dynasty's huge talent, a prolific artist with great creative capacity.
