There isn't a person on the planet who doesn't know the catchy tune that Harold Faltermeyer created for 'Beverly Hills Cop". But he is also the composer of great eighties hits such as the scores for 'Tango & Cash', 'The Running Man", 'Fletch' or the mythical 'Top Gun' in which recent sequel he has also participated.
It is the first concert in the world focused on the work of the German Master. For this occasion, the Ferrando Brothers have worked on a detailed tour of his great themes, including his most outstanding songs. Pure eighties power. All his greatest hits like you've never heard before. Simply a historic concert.
