After repeated requests from the anxious audience of Love of Lesbian, the show E&E returns to theatres. Espejos y espejismos (Mirror's & Mirages) is not a play nor a musical. It could be defined as a dramatised concert based on the dreamlike song repertoire of Love of Lesbian. Music as the reflection of our reality? Or music to create mirages in which to find shelter? A duality often found in one same tune and one same verse.

The new updated staging of E&E will include some pieces from El poeta Halley (2016), but will conserve its magical and minimal essence. Guillem Albà has conceived staging where Chinese shadows, puppets and other theatrical elements will take centre stage to reproduce the proper emotional atrezzo for each situation.
